The Italians broke through the Aus-
trian lines Monday night and cap-
tured 400 prisoners.

Next week the four-minute men
are asked to take part in a cam-
paign to urge people to buy coal
early for next winter's supply.

An order has been made for the
removal of 15,000 men of the 8th
division from Camp Taylor to Camp
Sherman, at Chillicothe, Ohio. The
artillery regiments alone will not be
transferred.

Practically all day services will be
held tomorrow in observance of Mem-
orial Day. Four or five churches will
hold morning services, one will be
open in the afternoon and another at
night. The people generally should
attend as many of these meetings
as possible. It is a time for prayer
and fraternal co-operation. The
President's proclamation to this effect
appears elsewhere.

(By International News Service.)
London, May 28.—Advices from Moscow report the formation of a committee of representatives of all parties except the maximalists—"the Bolsheviks"—for purposes of soliciting Allied intervention in Russia. The committee proposes to point out to the representatives of the United States the urgent necessity of Japanese intervening in Siberia.

FOLLOWING THE FLAG

Rev. Calvin M. Thompson, Jr., came home a few days ago from Boston, where he had been in the Newton Theological Institute completing his course of instruction. Mr. Thompson sometime ago volunteered his services as chaplain and has received his orders to report to Ft. Oglethorpe June 1st, for speedy duty overseas. His visit to his parents has been in the nature of a leave-taking and he will leave today for Ft. Oglethorpe. Mr. Thompson is not within the draft, having been exempt by reason of his calling as a minister, but he has felt it to be his patriotic duty to tender his services and will go with a contingent leaving next week. He is a young man of the finest promise, the oldest son of Dr. Calvin M. Thompson, pastor of the First Baptist church.

Lieut. M. W. Merrill, who recently resigned from the army to seek admission to the railroad branch of the service has received his application papers to be filled out for the rank of Captain. He has just returned from Washington and received assurances that he would be placed for overseas service without delay.

Mr. Bruce Woodruff, son of Mr. and Mrs. C. E. Woodruff, who has been teaching in the Darlington School for Boys at Rome, Ga., left Friday for Boston where he will enter the Boston Technological Institute for training for the aviation service.

CENTENNIAL CELEBRATION

FIRST BAPTIST CHURCH WILL BE 100 YEARS OLD ON JUNE 6TH.

The First Baptist church is making preparations to hold a service on June 6th commemorative of the 100th anniversary of the organization of the church. It was instituted June 6, 1818, in the house of John Pursley, on the farm now owned by J. H. Pyle just west of the city. A suitable historical sketch prepared by W. T. Tandy will be the feature of the meeting. The only two living former pastors of the church, Rev. C. M. Nash, of Greenville, N. C., and Rev. M. A. Jenkins, of Abilene, Texas, have been invited to attend as honor guests of the church.

The committee having the matter in hand consists of Dr. C. M. Thompson, Geo. D. Dalton, H. H. Abernathy, John B. Trice and Chas. M. Meacham.

RED CROSS ACTIVITY.

The loose floors continue to be interesting places for the Local Chapter of the Red Cross because of the number of the farmers and others who are coming and handling tobacco at these places. The past week was a most profitable one for the committee of ladies who were on duty, as they gathered together enough tobacco to bring on the market \$1,100, or more, to add to the war chest of the Red Cross. This brings the total for the season to eleven thousand dollars in round numbers.

The captains for the past week were Mrs. Ed L. Weathers and Mrs. Henry Frankel, and they were assisted by a large committee of ladies who did yeoman service at the various posts of assignment. Captains for this week are Mesdames V. L. Gates and Albert Lindsey.

The following articles have been sent out from the Red Cross headquarters during the month of May: 185 bed shirts, 90 convalescent robes, 98 sheets, 216 pillow cases, 70 suits of pajamas, 10 doctors' robes, 55 sweaters, 30 pairs of socks, 5 trench caps, 10 pairs of wristlets.

To contribute to the comfort of the men hereafter leaving for camp, a little comfort kit will be given each. Anyone desiring to assist in the making of these kits need only apply at Red Cross headquarters. Miss Mary Clark is chairman.

THE SMITHS LEAD.

The army has more than 100,000 "Smiths." There are 1,500 William Smiths, 1,000 John Smiths and 200 John A. Smiths. It has 15,000 Millers, 15,000 Wilsons and 262 John J. O'Briens. There are 1,000 John Browns, 1,200 John Johnsons and 1,040 George Millers.

ALL CHURCHES JOINING IN

AND WILL HAVE SERVICES THURSDAY IN KEEPING WITH OCCASION.

In keeping with the proclamation of President Wilson the various churches in Hopkinsville have planned special services for tomorrow at some hour suitable to each denomination.

Most of the churches at 10:00 a. m. to 12:00 o'clock noon as the stores will close, in response to Mayor Bassett's proclamation, for these two hours to give everyone an opportunity to attend some of these services. It is presumed that all shops, offices, and other places of business will close where possible that every one may join in this new form of memorial exercises.

A more detailed announcement as to the time and place of the various church services will appear tomorrow. However, it is now known that Bishop John M. Moore, of Nashville, will preach at the Methodist church at 10:30 a. m., Thursday.

PROCLAMATION

President Wilson has issued the following prayer proclamation:

"Whereas, the congress of the United States, on the second day of April last, passed the following resolution:

"Resolved by the senate (the house of representatives concurring) that, it being a duty peculiarly incumbent in a time of war humbly and devoutly to acknowledge our dependence on Almighty God and to implore His aid and protection, the President of the United States, be, and is hereby, respectfully requested to recommend a day of public humiliation, prayer and fasting, to be observed by the people of the United States with religious solemnity and the offering of fervent supplications to Almighty God for the safety and welfare of our cause, His blessings on our arms, and a speedy restoration of an honorable and lasting peace to the nations of the earth."

"And, whereas, it has always been the reverent habit of the people of the United States to turn in humble appeal to Almighty God for His guidance in the affairs of their common life;

"Now, therefore, I, Woodrow Wilson, President of the United States of America, do hereby proclaim Thursday, the 30th day of May, a day already freighted with sacred and stimulating memories, a day of public humiliation, prayer and fasting, and to exhort my fellow citizens of all faiths and creeds to assemble on that day in their several places of worship there, as well as in their homes to pray Almighty God that He may forgive our sins and shortcomings as a people and purify our hearts to see and love the truth, to accept and defend all things that are just and right, and to purpose only those righteous acts and judgments which are in conformity with His will; beseeching Him that He will give victory to our armies as they fight for freedom, wisdom to those who take counsel on our behalf in these days of dark struggle and perplexity, and steadfastness to our people to make sacrifices to the utmost in support of what is just and true, bringing us at last the peace in which men's hearts can be at rest because it is founded upon mercy, justice and good will."

"In witness whereof, I have hereunto set my hand and caused the seal of the United States to be affixed.

"Done in the District of Columbia this eleventh day of May, in the year of our Lord nineteen hundred and eighteen, and of the independence of the United States the one hundred and forty-second.

SESSION CLOSES

AND SIX YOUNG LADIES GRADUATED FROM B. W. C.

The commencement exercises of Bethel Woman's College were held at the First Baptist church at 11 o'clock yesterday. After several music numbers the formal address of the occasion was delivered by Chas. M. Meacham, who took as his subject "Little Things" laying stress upon the small colleges and the work they are called upon to do.

The several graduates were presented with diplomas and certificates by Dr. C. M. Thompson, President of the Board of Trustees, as follows:

Miss Bimma Bunch, Associate Arts.
Miss Lucile Petrie, Associate Arts.
Miss Norma Riley, High School.
Miss Maude Oakes, High School.
Miss Pauline Petrie, Expression.
Miss Irene Cowherd, Business.

The concluding exercise was the serving of a luncheon on the College campus to the large crowd of visitors and friends of the institution.

WILL SOON SEE.

Regarding the American "hordes" training in the French camps, the semi-official North German Gazette of Berlin remarks:

"Fresh reinforcements are meanwhile maturing in our recruiting depots behind the front and we will wait and see whether the lightning trained Yankee will hold his own against the German lads who have had military training from their youth."

A collection was taken up Sunday afternoon at the Presbyterian church at Bennettsville for the Red Cross, by Mrs. C. T. Taylor and \$175 was raised. This amount was paid in to the Bennettsville district fund, increasing it to \$408.85.

NO SIGN YET OF A RENEWAL OF THE OFFENSIVE IN FLANDERS--SUCCESSFUL RAIDS.

(By International News Service.)
London, May 28.—Germans evidently holding fast on both flanks, have run themselves into a deep pocket half way between Soissons and Berry-au-Bac. Their advance there has reached a depth of between ten and twelve miles and they have reached the Paris-Verdun railway at Fismes, an important railroad center, but unless they can pour sufficient troops through swiftly to roll up the Allied flanks they will be in the same predicament as was Gen. Byng at Cambrai and their drive might end in disaster.

The communique continues: "Our losses are relatively small. Hostile counter attacks broke down under our fire. In Lorraine and Wesvre artillery on both sides continues active. Early in the day our aviators shot down an enemy machine."

Broken Line Reestablished.

London, May 28.—The Franco-British line east of Diekebusch, where the Germans gained some ground yesterday in the Flanders attack, has been reestablished, Haig reports tonight. The Allied line in the neighborhood of Loire was maintained against all attacks.

Germans Were Repulsed.
Paris, May 28.—The latest information shows that the Allies are firmly holding a large bridge head position on the north bank of the Aisne, thus menacing the German right flank. The Germans were repulsed at Braisno.

Allied reserves are being rushed to the battlefield between the river Aisne and the Vesle river, the war office announces. The Franco-British are falling back slowly.

Have Crossed a Stream.
Berlin, May 28.—"We have captured the Western bank of the Vesle river on both sides of Pispas," says to-night's war office statement.

GEN. WOOD IS RARIN TO GO

(By International News Service.)
Washington, May 28.—Maj. General Leonard Wood made a personal appeal to President Wilson this afternoon against the order which would prevent him from accompanying his command, the 89th division, to France. It is understood he had not received a definite answer at a late hour to-night. The report that Gen. Pershing does not want Gen. Wood in France is not credited.

MRS. T.D. JAMESON DEATH CLAIMS ONE OF PEMBROKE'S MOST BELOVED LADIES.

Mrs. Geneva O'Brien Jameson, wife of Mr. Thos. D. Jameson, died at the family home in Pembroke yesterday as a result of a paralytic stroke some time ago. She is survived by her husband and one daughter, Miss Allie Jameson.

Mrs. Jameson was one of the most prominent and beloved ladies of Pembroke, a leader in all works of charity and benevolence. She was a member of the Baptist church.

The funeral will take place at 4 o'clock this afternoon and the interment will be in Rosedale cemetery at Pembroke. The services will be conducted by Rev. O. D. Peyton, of the Baptist church, at the cemetery.

BENNETTSTOWN'S GOOD WORK.

A collection was taken up Sunday afternoon at the Presbyterian church at Bennettsville for the Red Cross, by Mrs. C. T. Taylor and \$175 was raised. This amount was paid in to the Bennettsville district fund, increasing it to \$408.85.

GIRLS GOING ON FARMS.

(By International News Service.)
Salina, Kan., May 28.—Kansas girls, daughters of club women, might just as well get ready to spend some time on Kansas farms this summer. Their mothers said so. Not only are the girls going but their mothers are going also.

At the recent meeting of the State Federation of Women's Clubs held here the subject was brought up. Mrs. Catherine Huffman, director-general of the federation, and a well-known clubwoman of Kansas, announced her intention of going to the farm this summer to work. Mrs. H. O. Garvey, of Topeka, president, announced that she had a daughter with more "pep" than strength. She approved the move and intended to go to the farm, taking her daughter along.

A pin of Canadian design ought
to be popular. It is reported as hav-

Canadian flag is printed this neat

Ladies and Misses Ready-to-Wear

A beautiful exclusive Ladies and Misses Ready-to-Wear Store
will be another feature of Progressive Hopkinsville. Koppel Cloak
Co. have plans, that when fully developed, which will be within a short
while, will prove very interesting to the Ladies and Misses of Hop-
kinsville and vicinity. This modern city known as a great trading
point by our rural route friends, will, we hope, be even greater in
their estimation, as when on a tour of shopping a variety and num-
ber of places to visit is very essential for a city's success as a great
trading center. Hopkinsville business men are very progressive and
keen in the interest of their patrons, as such has been proven by
their monumental establishments and the good will of the people.
Koppel Cloak Co. is establishing here with the same high ideals,
and will be pleased to have every one visit this store, with the feel-
ing that they are welcome. The store is to be known as your
store, and we would be pleased to have you act as the name im-
plies.

COMMISSIONERS ARE NOW READY

NOTICES BEING SENT OUT IN
REGARD TO READJUSTMENTS
OF VALUE.

The city tax commissioners con-
sisting of Mr. Gus Brant as chair-
man and Messrs. Alex Henderson and
J. F. Turner as members, have com-
pleted the readjustment of property
values in the city of Hopkinsville
and are sending out notices to all
whose property has been affected
and will give them an opportunity to
appear before the commissioners to
show cause, if any, why the property
should not be assessed at a higher
figure than at first given to the as-
sessor.

The tax commissioners will be in
session daily for a few days to give
time to all who may wish to be
heard. The city, under the new state
tax law, will lose over a million dol-
lars in assessed valuation of property
in exemptions of certain properties
not taxable by the city. Consequent-
ly, it is necessary to make a general
raise to off set this otherwise \$15,000
loss in the amount of taxes coming
into the city treasury.

Orders taken for Victrolas and
Records.

BEN WARFIELD WRITES

169th Co. 14th Reg't, U. S. Naval
Training Station, Great Lakes, Ill.,
May 24, 1918.

Dear Mr. Meacham:

You asked me to let you hear from
me and I will try and explain in de-
tail just what has occurred since I
left Louisville.

We were all assigned berths on the
Monon road and left at 9:10 p. m.
and arrived in Chicago at 7:30 a. m.
the following morning where we were
given a nice breakfast at the depot.
We were then transferred to the
Northwestern depot. Here we found
quarters provided by the railroad for
all soldiers and sailors. All the sta-
tionery, shower baths, etc., free. Al-
so two pianos, one victrola, three
pool tables and nice dance floor.

We left for Great Lakes at 10:20
a. m., over the Northwestern road and
arrived at about 11:20 as it is about
33 miles above Chicago and about 15
above camp Sheridan.

After arriving we were marched
in line with about 115 St. Louis
fellows that we met in Chicago to a
place where we were compelled to
open our baggage for inspection.
They took out all of our cigarettes,
chewing gum, whisky, beer and fire
arms as well as all patent medicines.

We then were marched about one
mile to another camp where we left
our baggage and were marched in line
to chow (that's what they call every
meal) You pass five big boxes the
1st spoons, 2nd forks, 3rd knives,
4th cups and 5th pans with tops on
them. And believe me you had bet-
ter get all of them too if you don't
want to get a good jerking up. For
these northern fellows sure know how
to do it. In your pan you get for
breakfast oat meal or corn mush and
1/2 grape fruit every morning. For
dinner you get beef or sausage, pota-
toes or corn, eggs boiled or fried and
pie or apple butter. For supper sausage
or beef, rice or mush, fried or
boiled eggs, pickles and apples or
oranges. Plenty of bread, coffee,
tea and cocoa at every meal.

Going back to where we left our
baggage we found that they had been
inspected as they are very particu-
lar that you do not have any cigar-
ettes, chewing gum or whisky while
you are in detention which lasts from
12 to 21 days while you are being
"shot" for every imaginable disease.
You are allowed to use pipes and
smoking tobacco and only safety
matches. So the fellows who had
pipes, smoking tobacco and safety
matches are the most popular fellows
in the company.

We were then marched in columns
of two through a long barrack where
they took up our identification cards
and gave us a slip with clothing list
and pay slip. The next fellow gave
us a pay number, the next a card to
notify your parents of your address
and the last a church card to tell what
denomination you belong to, so that
the different chaplains may call on
you.

The next fellow takes up your
church card and gives you some in-
structions.

You are then marched over to
where you get your clothes and they
make you take off all of your civilian
clothes and roll up in a neat bundle.
You are then given a mattress and
cover. The instructor then tells you
to call the size of your shoe, whether
narrow, broad or medium. No one
had better call for a larger shoe than
he wears for they all are larger and
it is easier to change a pair too
small than it is too large. Then
they judge you from then on as you

NEW WHITE TEACHERS

ALSO THE ENTIRE FACULTY OF
THE COLORED SCHOOLS
RE-ELECTED.

At a meeting of the School Board
Monday night two of the grade teach-
ers—Mrs. Ellen Macrae and Miss Mary
Garnett—were elected to vacancies
in the High School and Misses Ellen
Davison and Marietta Merritt were
elected grade teachers. Miss Davison
has taught in the schools before
but taught last year at Danville. The
election here comes to her unsolicited.

The colored teachers were elected
as follows: L. R. Posey, principal of
the Attucks High School; H. Belle La-
Prade, principal, of the Second street
grade school; teachers, J. A. Hayes,
Mayme Copeland, Eunice Boyd, Jen-
nie L. Pool, Rosa Merriweather, Bes-
sie E. Walker, Emma F. Major, Lucie
B. Warfield, Annabel McReynolds,
Rosa V. Long, Carrie L. Flemister,
Corinne Hayes, Ora Lee Leavell, Rosa
W. Glass, Norvel Major, Jennie Mc-
Neil, Cornelia Steele, Alphonso
Mayes. Annie May Pollard was elected
as substitute teacher with the
understanding that she is to be made
a full-fledged teacher at the first
vacancy.

pass over a high platform and they
see your size and just guess at the
rest and they sure throw it to you
fast and you had better get it all or
they will give you —!

Then you put on your clothes
(new ones) using only the blue uni-
form and overcoat, then reassemble
in line and if you have any complaint
to make you had better do it then or
it will be too late and you will have
to wear them regardless.

We were then marched to another
barrack where we were undressed
again and compelled to lay all of our
clothes and bedding just so, for they
sure do things with a system and a
jerk up here. Then we carried our
clothes to the stencil room where
everything you possess is stenciled
with your name.

Then you are examined for heart
trouble, etc., then you get your first
shot which consist of shot in the
right arm and vaccination on left.
From there you go to another camp
where you are given a mental test.
Next you go to the dentist and if
any one has any teeth that needs pull-
ing he had better do it before he ar-
rives as they are not any to consid-
erate in the Navy. From there you
get a hair cut and they are just about
as particular with this as the rest.
That is about all I have done besides
drilling, scrubbing out tents, etc.,
in the 3 days I have been here.

We get up at 5 a. m. and take a
cold shower bath or warm one as you
have your choice. You then scrub out
your tent platform, fold up your bed-
ding and pull them out to air and
then raise the back end of your tent
to air it out.

The words that you first hear when
you get to Chicago are. You will like
it. Wait until you get that shot.
Where are from? Say! give me a
cigarette. But they have cut this out
as several fellows have fainted be-
fore they ever got it. They just
faint, that's all. But not a Kentuck-
ian fell from the ranks.

It don't take you long to get as
rough as the rest. Have seen Errett
Lipscomb and Chas. Dade as well as
Bugs Walker.

B. S. WARFIELD.

TUESDAY'S LIST.

There are 14 dead, 18 wounded
and 6 missing in action in Tuesday's
casualty list. Sergt. Carl Leforge,
of Flemingsburg, Ky., is reported
killed in action.

BUILD BIG SET FOR
FAIRBANKS COMEDY.

Palatial Home Constructed for Splen-
did Aircraft Picture "Mr. Fix-It."

For the Douglas Fairbanks' new-
est comedy picture, "MR. FIX-IT,"
a complete first floor of a palatial
New York home of wealth, from din-
ing room to library, was constructed
By the arrangement of the rooms in
their proper order, due advantage of
the effective photographic angles was
taken and many scenes, seemingly in-
credible, in which Mr. Fairbanks takes
athletic part, are shown.

"MR. FIX-IT" is a comedy of the
highest class, in which role Mr. Fair-
banks expounds the theory of hap-
piness for human-kind and his preach-
ment is that one can only be happy
by bringing happiness to others. It
is one practice of this homely philos-
ophy in this palatial home, filled with
fashionable people, that brings about
many mirth-provoking complications.
There is a sustained plot which has a
distinct heart appeal. A thrilling
scene takes place in the slums, where
Mr. Fairbanks battles with desperate
gangsters, and from whom he escapes
by swinging across the street on a
swaying election banner.

In "MR. FIX IT" appear many
notable cinema players, many of
whom are familiar to the Fairbanks
pictures. These include Wanda Haw-
ley, Marjorie Daw, Catherine Mac-
Donald, Frank Campeau and Leslie
Stuart.
